RE: Filing Receipt / Assignment Recordation

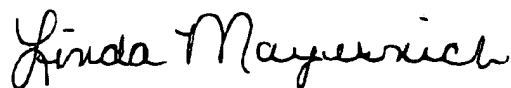

## Message:

Janice,

Please see attached. We have not received a Filing Receipt for the application referenced on the attached. Also, the assignment division does not have any record of the assignment which was sent with the original application. (This is a regular application, converted from a provisional.)

Can you help me locate either of these items? We need to order certified copies for foreign filing, but can't do that until we receive a Filing Receipt and a reel and frame number for the assignment.

Please call me if you need any additional information. Thank you for your assistance!
